This space is large enough to hold all three camps on one campus. We have several Master Instructors coming to help Teach these camps. As you will notice, we have lowered all of our camp prices this year to make this very affordable. The Camp Fee covers a place to sleep and all of the instruction and classes. You will need to bring a sleeping bag, air mattress or cot and toiletries if you stay over night. We will eat all of our meals at the local café in which you will be responsible for.
